

ImPOS & Clipp

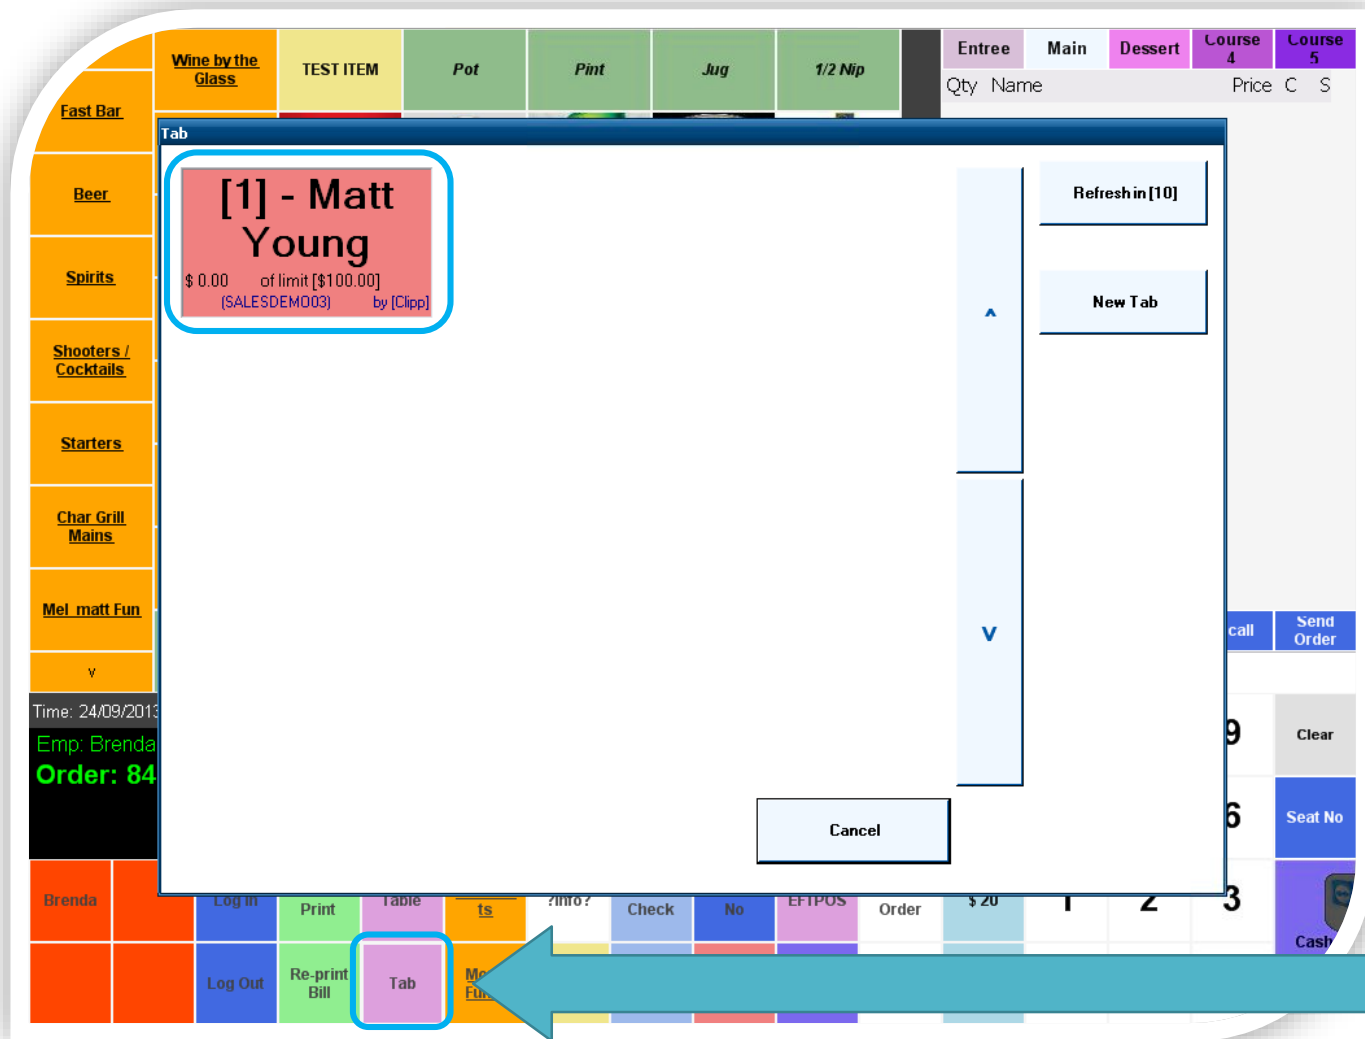

Digitalise your tabs...

What is Clipp?

Clipp is a digital tab. From your phone simply find, open, then pay for your tab.

- Download the app, login and enter your details.
- Locate the venue.
- Swipe to open a tab.

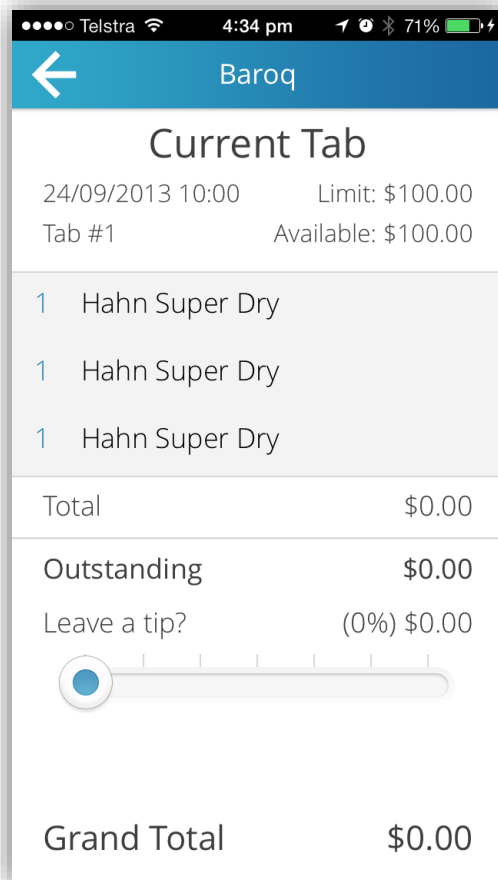

In ImPOS select
your tabs

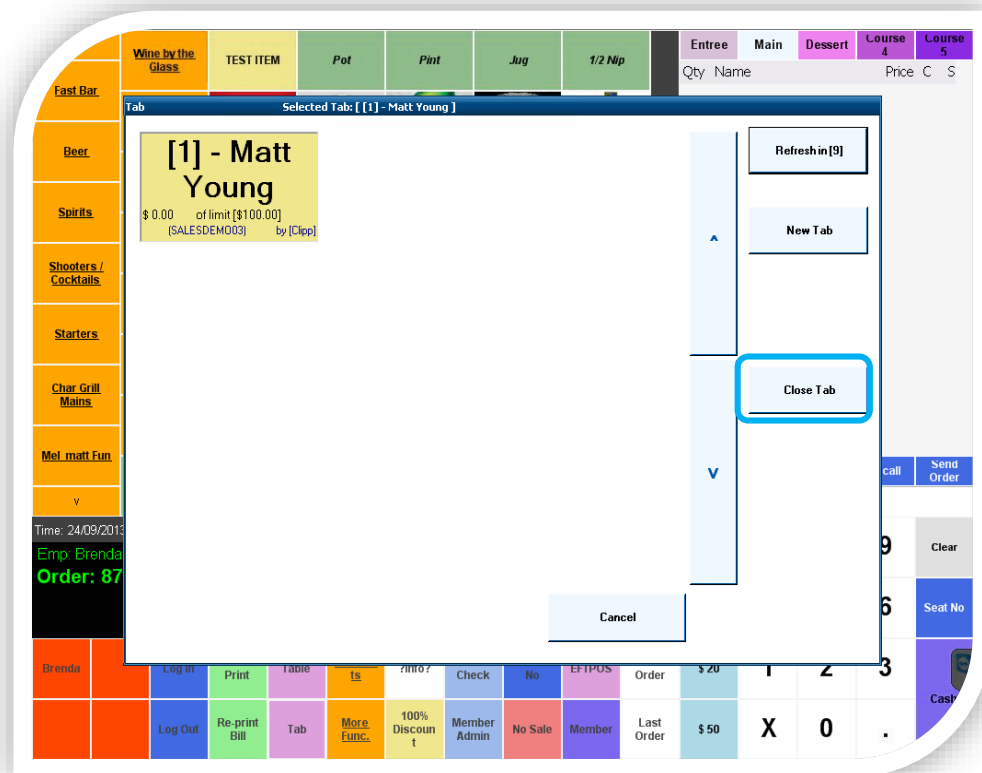

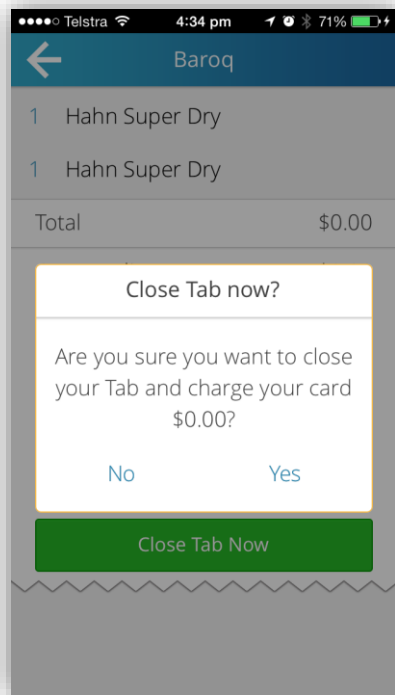

What The?

- The consumers tab is automatically created from Clipp in ImPOS.
- Their tab limit is locked in ImPOS for the amount pre-authorized through Clipp.
- The consumer will then show your staff their tab number.
- The consumers tab number will appear alongside their name.
- Your staff can then open the tab and input their order.

Add their order

- Add items to their tab from ImPOS and they will automatically get sync'd to Clipp

Time to close the tab.

- Either the customer closes the tab from Clipp
- Or staff can close the tab via ImPOS

How can it benefit me?

- Pre-authorisation. The consumer always pays their way.
- Low rates. Only 2.5% per transaction on VISA and MasterCard and 3.25% on Amex.
- Expose your venue to every consumer using the FREE Clipp app.
